Dear Vickie,

On behalf of the Boys & Girls Clubs of Charlotte County, our Board of Directors, and most importantly our kids, thank you for your much needed contribution. Your generosity allows us to respond to the different challenges our local youth face and ensure that each Club kid receives the following opportunities:

- A safe place they can depend on everyday
- One hour of homework help a day
- One healthy snack a day
- One hour of physical activity and exercise a day
- Monthly opportunities to volunteer and give back to others
- Leadership and character building experiences
- Ongoing goal setting, workforce readiness and financial planning
- Ongoing family support throughout the year

With your support, we provide consistent and positive experiences to kids that need us the most. As a result of your contributions; our local youth will be more likely to progress to the next grade level, make positive and healthy life choices and take ownership and pride in their community. You make a difference—thank you for helping change a child's future.

With a heartfelt thank you,

Tanya Orr
