Dear Community Partners,

We want to take a moment to express our sincere gratitude for participating in our Food Drive and or our Angel Tree Program, two of our most rewarding programs. With your help many children were able to have a very Merry Christmas and for that we are forever grateful.

We strive every year to have this program reach as many families in need and none of this would have been possible without the love and support from people like you. We hope that God may bless you and repay you for all you do for this amazing program. We look forward to working with you next Holiday Season.
